Cautionary Note on Forward-Looking Statements

This Current Report on Form 8-K (this “Report”) and any related statements of representatives and partners of the Company contain, or may contain, among other things, certain “forward-looking statements” within the meaning of Section 27A of the Securities Act of 1933, as amended (the “Securities Act”), and Section 21E of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). Such forward-looking statements involve significant risks and uncertainties. Such statements may include, without limitation, statements with respect to the Company’s plans, objectives, projections, expectations and intentions and other statements identified by words such as “projects,” “may,” “will,” “could,” “would,” “should,” “believes,” “expects,” “anticipates,” “estimates,” “intends,” “plans,” or similar expressions. These statements are based upon the current beliefs and expectations of the Company’s management and are subject to significant risks and uncertainties, including those detailed in the Company’s filings with the Securities and Exchange Commission (the “SEC”). Actual results may differ significantly from those set forth in the forward-looking statements. These forward-looking statements involve certain risks and uncertainties that are subject to change based on various factors (many of which are beyond the Company’s control). The Company undertakes no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by applicable law.

Item 1.01 Entry into a Material Definitive Agreement.

On November 30, 2016, PositiveID Corporation (the “Company”) closed a Securities Purchase Agreement (“SPA”) with ADAR BAYS, LLC (the “Investor”), providing for the purchase of three Convertible Redeemable Notes in the aggregate principal amount of \$183,750 (the “Notes”), with the first note being in the amount of \$52,500 (“Note I”), the second note being in the amount of \$52,500 (“Note II”), and the third note being in the amount of \$78,750 (“Note III”). Note I has been funded, with the Company receiving \$50,000 of net proceeds (net of original issue discount). Note II will initially be paid for by the issuance of an offsetting \$50,000 secured note issued to the Company by the Investor (“Investor Note 1”), and Note III will initially be paid for by the issuance of an offsetting \$75,000 secured note issued to the Company by the Investor (“Investor Note 2,” collectively the “Secured Notes”). The funding of Note II and Note III is subject to the mutual agreement of the Investor and the Company. The Investor is required to pay the principal amount of the Secured Notes in cash and in full prior to executing any conversions under Note II and Note III. The Notes bear an interest rate of 10%, and are due and payable on November 30, 2017. The Notes may be converted by the Investor at any time into shares of Company’s common stock (as determined in the Notes) calculated at the time of conversion, except for Note II and Note III, which require full payment of the Secured Notes by the Investor before conversions may be made. The Notes (subject to funding in the case of Note II and Note III) may be converted by the Investor at any time into shares of Company’s common stock at a price at a price equal to 65% of the lowest closing bid price of the common stock as reported on the OTC Link ATS owned by OTC Markets Group for the 15 prior trading days including the day upon which a notice of conversion is received by the Company.

The Notes are long-term debt obligations that are material to the Company. The Notes may be prepaid in accordance with the terms set forth in the Notes. The Notes also contain certain representations, warranties, covenants and events of default including if the Company is delinquent in its periodic report filings with the Securities and Exchange Commission, and increases in the amount of the principal and interest rates under the Notes in the event of such defaults. In the event of default, at the option of the Investor and in the Investor’s sole discretion, the Investor may consider the Notes immediately due and payable.

The foregoing description of the terms of the SPA, Note I, Note II, Note III, Investor Note I, and Investor Note II, do not purport to be complete and are qualified in its entirety by the complete text of the documents attached as Exhibit 10.1, Exhibit 4.1, Exhibit 4.2, Exhibit 4.3, Exhibit 10.2, and Exhibit 10.3 to this Current Report on Form 8-K.

Item 2.03 Creation of Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information provided in Item 1.01 of this Current Report on Form 8-K is incorporated herein by reference.

Item 3.02 Unregistered Sales of Equity Securities

The descriptions in Item 1.01 of the notes issued by the Company that are convertible into the Company's equity securities at the option of the holder of the notes are incorporated herein. The issuance of the notes set forth herein was made in reliance on the exemption provided by Section 4(a)(2) of the Securities Act of 1933, as amended (the "Securities Act") for the offer and sale of securities not involving a public offering, and Regulation D promulgated under the Securities Act. The Company's reliance upon Section 4(a)(2) of the Securities Act in issuing the securities was based upon the following factors: (a) the issuance of the securities was an isolated private transaction by us which did not involve a public offering; (b) there was only one recipient; (c) there were no subsequent or contemporaneous public offerings of the securities by the Company; (d) the securities were not broken down into smaller denominations; (e) the negotiations for the issuance of the securities took place directly between the individual and the Company; and (f) the recipient of the note was an accredited investor.

Item 5.03 Amendments to Articles of Incorporation or Bylaws.

On October 26, 2016, the stockholders of the Company voted to approve the Company's Third Amended and Restated Certificate of Incorporation to permit stockholders to act by written consent, and to permit stockholders of different classes of the Company's capital stock to vote as a single class with regard to certain changes to the Company's certificate of incorporation. On November 30, 2016, the Company filed its Third Amended and Restated Certificate of Incorporation with the Secretary of State of the State of Delaware. A copy of the Amendment is attached as Exhibit 3.1 hereto and incorporated herein by reference.

CAPITALIZATION**

Section 4.1 Authorized Capital Stock.

The total number of shares of all classes of capital stock which the Corporation is authorized to issue is 3,900,000,000 shares, consisting of 3,895,000,000 shares of common stock, par value \$0.001 per share (the “*Common Stock*”), and 5,000,000 shares of preferred stock (the “*Preferred Stock*”), 2,500 of which are designated as Series I Convertible Preferred Stock, par value \$0.001 per share, 3,000 of which are designated as Series II Convertible Preferred Stock, par value \$0.001 per share, and 1,700 of which are designated as Series J Convertible Preferred Stock, par value \$0.001 per share.

Except as otherwise expressly set forth this Certificate (including, but not limited to, Section 4.3(a) hereof and any Preferred Stock Designation (as defined in Section 4.2), the holders of Common Stock, the holders of any class or series of Preferred Stock with voting rights and the holders of any other class or series of stock of the Corporation with voting rights shall be entitled to vote and shall vote as a single class on all matters with respect to which a vote of the shareholders of the Corporation is required or permitted under applicable law, this Certificate or the By-Laws of the Corporation (the “**By-Laws**”). Whenever applicable law, this Certificate or the By-Laws provide for a vote of the shareholders of the Corporation on any matter, approval of such matter shall require the affirmative vote of a majority of the votes cast by the holders entitled to vote thereon unless otherwise expressly provided under applicable law, this Certificate or the By-Laws.

No holder of stock of any class or series of the Corporation, whether now or hereafter authorized or issued, shall be entitled, as a matter of right, to subscribe for or purchase any part of any new or additional issue of stock of any class or series whatsoever, or of any securities convertible into stock of any class or series, or to which are attached or with which are issued warrants or rights to purchase any such stock, whether now or hereafter authorized, issued or sold, whether issued for moneys, property or services, or by way of dividend or otherwise, or any right or subscription to any thereof, other than such, if any, as the Board of Directors of the Corporation (the “**Board**”) in its discretion may from time to time fix, pursuant to authority hereby conferred upon it; and any shares of stock or convertible obligations with warrants or rights to purchase any such stock, which the Board may determine to offer for subscription, may be sold without being first offered to any of the holders of the stock of the Corporation of any class or classes or series or may, as the Board may determine, be offered to holders of any class or classes or series of stock exclusively or to the holders of all classes or series of stock, and if offered to more than one class or series of stock, in such proportions as between such classes or series of stock as the Board, in its discretion, may determine.

Section 4.2 Preferred Stock.

(a) The Preferred Stock may be issued from time to time in one or more classes or series. The Board is hereby expressly authorized to provide for the issuance of shares of Preferred Stock in one or more classes or series and to establish from time to time the number of shares to be included in each such class or series and to fix the designations, voting powers (including that each share of such class or series shall carry one vote or more or less than one vote per share), preferences and relative, participating, optional and other special rights, if any, of each such class or series and the qualifications, limitations and restrictions thereof, as shall be stated in the resolution(s) adopted by the Board providing for the issuance of such class or series and included in a certificate of designations (a “**Preferred Stock Designation**”) filed pursuant to the DGCL. Without limiting the generality of the foregoing, the resolution or resolutions providing for the establishment of any class or series of Preferred Stock may, to the extent permitted by law, provide that such class or series shall be superior to, rank equally with or be junior to the Preferred Stock of any other class or series. Except as otherwise expressly provided in the resolution or resolutions providing for the establishment of any class or series of Preferred Stock, no vote of the holders of shares of Preferred Stock or Common Stock shall be a prerequisite to the issuance of any shares of any class or series of the Preferred Stock authorized by and complying with the conditions of this Certificate.

(b) The number of authorized shares of Preferred Stock may be increased or decreased (but not below the number of shares thereof then outstanding) by an amendment of this Certificate that may be adopted by resolution adopted by the Board and approved by the affirmative vote of the holders of a majority of the voting power of all outstanding shares of Common Stock of the Corporation and all other outstanding shares of stock of the Corporation entitled to vote thereon irrespective of the provisions of Section 242(b)(2) of the DGCL or any similar provision hereafter enacted, with such outstanding shares of Common Stock and other stock entitled to vote thereon considered for this purpose as a single class, and no vote of the holders of any shares of Preferred Stock or any class or series thereof, voting separately as a class, shall be required therefor.

(c) Pursuant to the authority conferred by this Article IV upon the Board, the Board created a series of shares of Preferred Stock designated as Series I Convertible Preferred Stock (the “**Series I Preferred Stock**”), by filing a certificate of designations of preferences, right and limitations of the Series I Preferred Stock with the Secretary of State of the State of Delaware (the “**Secretary of State**”) on October 2, 2013, as amended by the amended and restated certificate of designations of preferences, right and limitations of the Series I Preferred Stock as filed with the Secretary of State on January 7, 2015, and the voting powers, designations, preferences and relative, participating, optional or other special rights, and the qualifications, limitations or restrictions thereof, of the Series I Preferred Stock, are set forth in Appendix A hereto and are incorporated herein by reference.

(d) Pursuant to the authority conferred by this Article IV upon the Board, the Board created a series of shares of Preferred Stock designated as Series II Convertible Preferred Stock (the “**Series II Preferred Stock**”), by filing a certificate of designations of preferences, right and limitations of the Series II Preferred Stock with the Secretary of State on July 25, 2016, and the voting powers, designations, preferences and relative, participating, optional or other special rights, and the qualifications, limitations or restrictions thereof, of the Series II Preferred Stock, are set forth in Appendix B hereto and are incorporated herein by reference.

(e) Pursuant to the authority conferred by this Article IV upon the Board, the Board created a series of shares of Preferred Stock designated as Series J Convertible Preferred Stock (the “**Series J Preferred Stock**”), by filing a certificate of designations of preferences, right and limitations of the Series J Preferred Stock with the Secretary of State on December 7, 2015, and the voting powers, designations, preferences and relative, participating, optional or other special rights, and the qualifications, limitations or restrictions thereof, of the Series J Preferred Stock, are set forth in Appendix C hereto and are incorporated herein by reference.

Section 4.3 Common Stock.

(a) The holders of shares of Common Stock shall be entitled to one vote for each such share of Common Stock held on each matter properly submitted to the stockholders on which the holders of shares of Common Stock are entitled to vote. Except as otherwise required by law or this Certificate (including any Preferred Stock Designation), at any annual or special meeting of the stockholders the holders of outstanding shares of Common Stock shall have the right to vote for the election of directors and on all other matters properly submitted to a vote of the stockholders. Notwithstanding the foregoing and Section 4.1 hereof, except as otherwise required by law, holders of Common Stock shall not be entitled to vote on any amendment to this Certificate (including any amendment to any Preferred Stock Designation) that relates solely to the terms of one or more outstanding class or series of Preferred Stock if the holders of such affected class or series are entitled, either separately or together with the holders of one or more other such class or series, to vote thereon pursuant to this Certificate (including any Preferred Stock Designation).

(b) The number of authorized shares of Common Stock may be increased or decreased (but not below the number of shares thereof then outstanding) by an amendment of this Certificate that may be adopted by resolution adopted by the Board and approved by the affirmative vote of the holders of a majority of the voting power of all outstanding shares of Common Stock of the Corporation and all other outstanding shares of stock of the Corporation entitled to vote thereon irrespective of the provisions of Section 242(b)(2) of the DGCL or any similar provision hereafter enacted, with such outstanding shares of Common Stock and other stock entitled to vote thereon considered for this purpose as a single class, and no vote of the holders of any shares of Common Stock or any class or series thereof, voting separately as a class, shall be required therefor.

(c) Subject to the rights of the holders of Preferred Stock, the holders of shares of Common Stock shall be entitled to receive such dividends and other distributions (payable in cash, property or capital stock of the Corporation) when, as and if declared thereon by the Board from time to time out of any assets or funds of the Corporation legally available therefor and shall share equally on a per share basis in such dividends and distributions.

(d) In the event of any voluntary or involuntary liquidation, dissolution or winding-up of the Corporation, and after payment or provision for payment of the debts and other liabilities of the Corporation, and subject to the rights of the holders of Preferred Stock in respect thereof, the holders of shares of Common Stock shall be entitled to receive all the remaining assets of the Corporation available for distribution to its stockholders, tenably in proportion to the number of shares of Common Stock held by them.

ARTICLE V
BOARD OF DIRECTORS

Section 5.1 Board Powers.

The business and affairs of the Corporation shall be managed by, or under the direction of the Board. In addition to the powers and authority expressly conferred upon the Board by statute, this Certificate or the By-Laws, the Board is hereby empowered to exercise all such powers and do all such acts and things as may be exercised or done by the Corporation, subject, nevertheless, to the provisions of the DGCL, this Certificate and any By-Laws; *provided, however*, that no By-Laws hereafter adopted by the stockholders shall invalidate any prior act of the Board that would have been valid if such By-Laws had not been adopted.

Section 5.2 Number, Election and Term.

(a) The number of directors of the Corporation, other than those who may be elected by the holders of one or more series of Preferred Stock voting separately by class or series, shall be fixed from time to time exclusively by the Board pursuant to a resolution adopted by a majority of the Whole Board. For purposes of this Certificate, "Whole Board" shall mean the total number of directors the Corporation would have if there were no vacancies.

(b) Subject to Section 5.5, a director shall hold office until the annual meeting for the year in which his or her term expires or until his or her successor has been elected and qualified, notwithstanding that such director may have been elected for a term that extended beyond the date of such next annual meeting of stockholders, subject, however, to such director's earlier death, resignation, retirement, disqualification or removal.

(c) Unless and except to the extent that the By-Laws shall so require, the election of directors need not be by written ballot.

(d) There shall be no cumulative voting in the election of directors.

Section 5.3 Newly Created Directorships and Vacancies

Subject to Section 5.5, newly created directorships resulting from an increase in the number of directors and any vacancies on the Board resulting from death, resignation, retirement, disqualification, removal or other cause may be filled solely by a majority vote of the directors then in office, even if less than a quorum, or by a sole remaining director (and not by stockholders), and any director so chosen shall hold office for the remainder of the term to which the new directorship was added or in which the vacancy occurred and until his or her successor has been elected and qualified, subject, however, to such director's earlier death, resignation, retirement, disqualification or removal. No decrease in the number of directors constituting the Board shall shorten the term of any incumbent director.

Section 5.4 Removal.

Subject to Section 5.5, any or all of the directors may be removed from office at any time, but only for cause and only by the affirmative vote of the holders of a majority of the outstanding shares of capital stock of the Corporation then entitled to vote generally in the election of directors, voting together as a single class.

Section 5.5 Preferred Stock - Directors.

Notwithstanding any other provision of this Article V and except as otherwise required by law, whenever the holders of one or more series of Preferred Stock shall have the right, voting separately by class or series, to elect one or more directors, the term of office, the filling of vacancies, the removal from office and other features of such directorships shall be governed by the terms of such series of Preferred Stock as set forth in this Certificate (including any Preferred Stock Designation).

**ARTICLE VI
BY-LAWS**

In furtherance and not in limitation of the powers conferred upon it by law, the Board is expressly authorized and empowered to adopt, amend, alter or repeal the By-Laws. The affirmative vote of a majority of the Whole Board shall be required to adopt, amend, alter or repeal the By-Laws. The stockholders shall, to the extent such power is at the time conferred on them by applicable law, also have the power, by the affirmative vote of the holders of a majority of the outstanding shares of capital stock of the Corporation then entitled to vote generally in the election of directors, voting together as a single class, to make, alter, amend or repeal any By-Laws of the Corporation.

**ARTICLE VII
MEETINGS OF STOCKHOLDERS**

Section 7.1 Action by Written Consent.

Except as otherwise required by the specific terms of any class or series of Preferred Stock as set forth in the Preferred Stock Designation with respect to such class or series, any action required or permitted to be taken at any annual or special meeting of stockholders may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, setting forth the action so taken, shall be signed by the holders of outstanding stock entitled to vote on such action having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted.

Section 7.2 Meetings.

Except as otherwise required by law or the terms of any one or more series of Preferred Stock, special meetings of stockholders of the Corporation may be called only by the Chairman of the Board, the Chief Executive Officer, the President, or the Board pursuant to a resolution adopted by a majority of the Whole Board, and the ability of the stockholders to call a special meeting is hereby specifically denied.

Section 7.3 Advance Notice.

Advance notice of stockholder nominations for the election of directors and of business to be brought by stockholders before any meeting of the stockholders of the Corporation shall be given in the manner provided in the By-Laws.

Section 7.4 Location.

Meetings of stockholders may be held within or outside the State of Delaware, as the By-Laws may provide. The books of the Corporation may be kept (subject to applicable law) outside of the State of Delaware at such place or places as may be designated from time to time by the Board or in the By-Laws.

**ARTICLE VIII
LIMITED LIABILITY; INDEMNIFICATION**

Section 8.1 Limitation of Personal Liability.

No person who is or was a director of the Corporation shall be personally liable to the Corporation or any of its stockholders for monetary damages for breach of fiduciary duty as a director, except to the extent such exemption from liability or limitation thereof is not permitted by the DGCL as the same exists or hereafter may be amended. If the DGCL is hereafter amended to authorize corporate action further limiting or eliminating the liability of directors, then the liability of a director to the Corporation or its stockholders shall be limited or eliminated to the fullest extent permitted by the DGCL, as so amended. Any repeal or amendment of this Section 8.1 by the stockholders of the Corporation or by changes in law, or the adoption of any other provision of this Certificate inconsistent with this Section 8.1 will, unless otherwise required by law, be prospective only (except to the extent such amendment or change in law permits the Corporation to further limit or eliminate the liability of directors) and shall not adversely affect any right or protection of a director of the Corporation existing at the time of such repeal or amendment or adoption of such inconsistent provision with respect to acts or omissions occurring prior to such repeal or amendment or adoption of such inconsistent provision.

Section 8.2 Indemnification.

(a) Each person who is or was made a party or threatened to be made a party to or is otherwise involved in any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (hereinafter a “**proceeding**”) by reason of the fact that he or she is or was a director or officer of the Corporation or, while a director or officer of the Corporation, is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to an employee benefit plan (hereinafter a “**Covered Person**”), whether the basis of such proceeding is alleged action in an official capacity as a director, officer, employee or agent, or in any other capacity while serving as a director, officer, employee or agent, shall be indemnified and held harmless by the Corporation to the fullest extent authorized or permitted by applicable law, as the same exists or may hereafter be amended, against all expense, liability and loss (including, without limitation, attorneys’ fees, judgments, fines, ERISA excise taxes and penalties and amounts paid in settlement) reasonably incurred or suffered by such Covered Person in connection with such proceeding, and such right to indemnification shall continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of his or her heirs, executors and administrators; *provided, however,* that, except for proceedings to enforce rights to indemnification, the Corporation shall indemnify a Covered Person in connection with a proceeding (or part thereof) initiated by such Covered Person only if such proceeding (or part thereof) was authorized by the Board. The right to indemnification and advancement of expenses conferred by this Section 8.2 shall be a contract right and shall include the right to be paid by the Corporation the expenses incurred in defending or otherwise participating in any such proceeding in advance of its final disposition to the fullest extent authorized by the DGCL as the same exists or is hereafter amended.

(b) The rights conferred on any Covered Person by this Section 8.2 shall not be exclusive of any other rights which any Covered Person may have or hereafter acquire under law, this Certificate, the By-Laws, an agreement, vote of stockholders or disinterested directors, or otherwise.

(c) Any repeal or amendment of this Section 8.2 by the stockholders of the Corporation or by changes in law, or the adoption of any other provision of this Certificate inconsistent with this Section 8.2 will, unless otherwise required by law, be prospective only (except to the extent such amendment or change in law permits the Corporation to provide broader indemnification rights on a retroactive basis than permitted prior thereto), and will not in any way diminish or adversely affect any right or protection existing at the time of such repeal or amendment or adoption of such inconsistent provision in respect of any act or omission occurring prior to such repeal or amendment or adoption of such inconsistent provision.

(d) This Section 8.2 shall not limit the right of the Corporation, to the extent and in the manner authorized or permitted by law, to indemnify and to advance expenses to persons other than Covered Persons, provided, however, that if the DGCL requires or permits the payment of such expenses incurred by a Covered Person as set forth herein in advance of the final disposition of a proceeding, such payment shall be made only upon delivery to the Corporation of an undertaking, by or on behalf of such director or officer, to repay all amounts so advanced if it shall ultimately be determined that such director or officer is not entitled to be indemnified under this Section or otherwise.

(e) The Corporation may, by action of its Board, provide indemnification and the advancement of expenses to such of the officers, employees and agents of the Corporation and such other persons serving at the request of the Corporation as officers, employees and agents of another corporation, partnership, joint venture, limited liability company, trust or other enterprise to such extent as is permitted by the laws of the State of Delaware as the same exists or are hereafter amended and the Board shall determine to be appropriate.

(f) The Corporation shall have power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, limited liability company, trust or other enterprise against any expense, liability or loss incurred by such person in any such capacity or arising out of his status as such, whether or not the Corporation would have the power to indemnify such person against such liability under Delaware law.

(g) The rights and authority conferred in this Article VIII shall not be exclusive of any other right which any person may otherwise have or hereafter acquire.

**ARTICLE IX
AMENDMENT OF CERTIFICATE OF INCORPORATION**

The Corporation reserves the right at any time and from time to time to amend, alter, change or repeal any provision contained in this Certificate (including any Preferred Stock Designation), and any other provisions authorized by the laws of the State of Delaware at the time in force may be added or inserted, in the manner now or hereafter prescribed by this Certificate, the By-Laws or the DGCL; and, except as set forth in Article VIII, all rights, preferences and privileges herein conferred upon stockholders, directors or any other persons by and pursuant to this Certificate in its present form or as hereafter amended are granted subject to the right reserved in this Article; *provided, however*, that, notwithstanding any other provision of this Certificate, and in addition to any other vote that may be required by law or any Preferred Stock Designation, the affirmative vote of the holders of a majority of the voting power of all then outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors, voting together as a single class, shall be required to amend, alter or repeal, or adopt any provision as part of this Certificate.

**ARTICLE X
SECTION 203 OF THE DGCL**

The Corporation elects not to be governed by Section 203 of the DGCL.

**ARTICLE XI
SECTION 102(B)(2) OF THE DGCL**

Whenever a compromise or arrangement is proposed between this Corporation and its creditors or any class of them and/or between this Corporation and its stockholders or any class of them, any court of equitable jurisdiction within the State of Delaware may, on the application in a summary way of this Corporation or of any creditor or stockholder thereof or on the application of any receiver or receivers appointed for this corporation under §291 of Title 8 of the Delaware Code or on the application of trustees in dissolution or of any receiver or receivers appointed for the Corporation under §279 of Title 8 of the Delaware Code order a meeting of the creditors or class of creditors, and/or of the stockholders or class of stockholders of the Corporation, as the case may be, to be summoned in such manner as the said court directs. If a majority in number representing three-fourths in value of the creditors or class of creditors, and/or of the stockholders or class of stockholders of this Corporation, as the case may be, agree to any compromise or arrangement and to any reorganization of this Corporation as consequence of such compromise or arrangement, the said compromise or arrangement and the said reorganization shall, if sanctioned by the court to which the said application has been made, be binding on all the creditors or class of creditors, and/or on all the stockholders or class of stockholders, of the Corporation, as the case may be, and also on the Corporation.

CERTIFICATE OF DESIGNATIONS OF PREFERENCES,
RIGHTS AND LIMITATIONS
OF
SERIES I CONVERTIBLE PREFERRED STOCK

William J. Caragol and Allison F. Tomek, hereby certify that:

1. They are the Chief Executive Officer and Secretary, respectively, of PositiveID Corporation, a Delaware corporation (the “**Corporation**”).
2. The Corporation is authorized to issue 5,000,000 shares of preferred stock.
3. The following resolutions were duly adopted by the Board of Directors:

WHEREAS, the Certificate of Incorporation of the Corporation provides for a class of its authorized stock known as preferred stock, comprised of 5,000,000 shares of \$0.001 par value preferred stock (the “**Preferred Stock**”), issuable from time to time in one or more series;

WHEREAS, the Board of Directors of the Corporation is authorized to fix the dividend rights, dividend rate, voting rights, conversion rights, rights and terms of redemption and liquidation preferences of any wholly unissued series of Preferred Stock and the number of shares constituting any series and the designation thereof, of any of them;

WHEREAS, it is the desire of the Board of Directors of the Corporation, pursuant to its authority as aforesaid in accordance with Section 151 of the General Corporation Law of the State of Delaware, and as set forth in this Amended and Restated Certificate of Designations of Preferences, Rights and Limitations of Series I Convertible Preferred Stock, to designate the rights, preferences, restrictions and other matters relating to the Series I Convertible Preferred Stock, which will consist of 2,500 shares of Preferred Stock, par value \$0.001 per share, which the Corporation has the authority to issue, as follows:

NOW, THEREFORE, BE IT RESOLVED, that the Board of Directors does hereby provide for the issuance of a series of Preferred Stock for cash or exchange of other securities, rights or property and does hereby fix and determine the rights, preferences, restrictions and other matters relating to such series of Preferred Stock are as follows:

I. Terms of Preferred Stock.

A. Designation and Amount. The series of Preferred Stock will be designated as the Corporation’s Series I Convertible Preferred Stock (the “**Series I Preferred Stock**”) and the number of shares so designated will be 2,500, which will not be subject to increase without the consent of the holders (each a “**Holder**” and collectively, the “**Holders**”) of a majority of the outstanding shares of Series I Preferred Stock.

B. Ranking and Voting.

1. Ranking. The Series I Preferred Stock will, with respect to dividend rights and rights upon liquidation, winding-up or dissolution, rank: (a) senior with respect to dividends and right of liquidation with the Corporation’s Common Stock (“**Common Stock**”); and (b) junior to all existing and future indebtedness of the Corporation. Without the prior written consent of Holders holding a majority of the outstanding shares of Series I Preferred Stock, the Company may not issue any Preferred Stock that is not junior to the Series I Preferred Stock in right of dividends and liquidation.

2. Voting. Each share of Series I Preferred Stock shall be entitled to vote on all matters requiring shareholder vote. Each share of Series I Preferred Stock will be entitled to the number of votes per share based on the calculation of **As Converted Voting Shares**, as defined in Section I.G.5.a, calculated on any record date for any shareholder vote.

C. Dividends.

Commencing on the date of the issuance of such shares of Series I Preferred Stock (each respectively an “**Issuance Date**”), Holders of Series I Preferred Stock will be entitled to dividends on each outstanding share of Series I Preferred Stock (“**Dividends**”), at a rate equal to 6.0% per annum (“**Dividend Rate**”) of a stated value (“**Stated Value**”) of \$1,000 per share of Series I Preferred Stock, subject to appropriate adjustment in the event of any stock splits, stock dividends, combinations of shares, recapitalizations or other such events relating to the outstanding Series I Preferred Stock at any time and from time to time. Dividends will accrue monthly and will be added to the Series I Liquidation Value, and upon redemption of the Series I Preferred Stock in accordance with **Section I.F.** Any calculation of the amount of such Dividends payable pursuant to the provisions of this **Section I.C.** will be made based on a 365-day year, compounded monthly.

So long as any shares of Series I Preferred Stock are outstanding, no dividends or other distributions will be paid, declared or set apart with respect to any Common Stock.

D. Protective Provision. So long as any shares of Series I Preferred Stock are outstanding, the Corporation will not, without the affirmative approval of the Holders of a majority of the shares of Series I Preferred Stock then outstanding (voting as a class), (i) alter or change adversely the powers, preferences or rights given to the Series I Preferred Stock or alter or amend this Certificate of Designations, (ii) authorize or create any class of stock ranking as to distribution of dividends senior to the Series I Preferred Stock, (iii) amend its articles of incorporation or other charter documents in breach of any of the provisions hereof, (iv) increase the authorized number of shares of Series I Preferred Stock, (v) liquidate, dissolve or wind-up the business and affairs of the Corporation, or effect any Deemed Liquidation Event (as defined below), or (vi) enter into any agreement with respect to any of the foregoing.

1. A “**Deemed Liquidation Event**” will mean: (a) a merger or consolidation in which the Corporation is a constituent party or a subsidiary of the Corporation is a constituent party and the Corporation issues shares of its capital stock pursuant to such merger or consolidation, except any such merger or consolidation involving the Corporation or a subsidiary in which the shares of capital stock of the Corporation outstanding immediately prior to such merger or consolidation continue to represent, or are converted into or exchanged for shares of capital stock that represent, immediately following such merger or consolidation, at least a majority, by voting power, of the capital stock of the surviving or resulting corporation or, if the surviving or resulting corporation is a wholly-owned subsidiary of another corporation immediately following such merger or consolidation, the parent corporation of such surviving or resulting corporation; or (b) the sale, lease, transfer, exclusive license or other disposition, in a single transaction or series of related transactions, by the Corporation or any subsidiary of the Corporation of all or substantially all the assets of the Corporation and its subsidiaries taken as a whole, or the sale or disposition (whether by merger or otherwise) of one or more subsidiaries of the Corporation if substantially all of the assets of the Corporation and its subsidiaries taken as a whole are held by such subsidiary or subsidiaries, except where such sale, lease, transfer, exclusive license or other disposition is to a wholly owned subsidiary of the Corporation.

2. The Corporation will not have the power to effect a Deemed Liquidation Event referred to in **Section I.D.1** unless the agreement or plan of merger or consolidation for such transaction provides that the consideration payable to the stockholders of the Corporation will be allocated among the holders of capital stock of the Corporation in accordance with **Section I.E.**

E. Liquidation.

Upon any liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, after payment or provision for payment of debts and other liabilities of the Corporation, and after payment or provision for any liquidation preference payable to the holders of any Preferred Stock ranking senior upon liquidation to the Series I Preferred Stock, but prior to any distribution or payment made to the holders of Common Stock or the holders of any Preferred Stock ranking junior upon liquidation to the Series I Preferred Stock by reason of their ownership thereof, the Holders of Series I Preferred Stock will be entitled to be paid out of the assets of the Corporation available for distribution to its stockholders an amount with respect to each share of Series I Preferred Stock equal to the Stated Value thereof plus any accrued but unpaid Dividends thereon (collectively, the “**Series I Liquidation Value**”).

If, upon any liquidation, dissolution or winding up of the Corporation, the assets of the Corporation will be insufficient to make payment in full to all Holders, then such assets will be distributed among the Holders at the time outstanding, ratably in proportion to the full amounts to which they would otherwise be respectively entitled.

F. Redemption.

1. Corporation's Redemption Option. At any time after one year from the Issuance Date and subject to a ten day advance notice (via email or overnight courier) to the Holders, the Corporation will have the right, at the Corporation's option, to redeem all or any portion of the shares of Series I Preferred Stock at a price per share equal to 100% of the Series I Liquidation Value of the shares being redeemed. After the initial notice is delivered to the Holders, during the ten day notice period, Holders will have the right to convert pursuant to Section I.G.

2. Mandatory Redemption. If the Corporation determines to liquidate, dissolve or wind-up its business and affairs, or effect any Deemed Liquidation Event, the Corporation will redeem all of the outstanding shares of Series I Preferred Stock prior to the Deemed Liquidation Event. All Series I Preferred Shares shall be redeemed no later than three years after the Deemed Liquidation Event.

3. Mechanics of Redemption. If the Corporation elects to redeem any of the Holders' Series I Preferred Stock then outstanding, it will deliver written notice thereof via email or overnight courier ("**Notice of Redemption at Option of Corporation**") to each Holder whose shares are to be redeemed, which Notice of Redemption at Option of Corporation will indicate (a) the number of shares of Series I Preferred Stock that the Corporation is electing to redeem, (b) the date upon which the applicable redemption price will be paid, and (c) the amount of the applicable redemption price (with a reasonably detailed calculation thereof). The Notice of Redemption at Option of Corporation may not be delivered until at least ten days after notice is delivered to Holder pursuant to Section I.F.1. Upon receipt of such initial notice, the Holder will have the right to convert its Series I Preferred Shares into common shares pursuant to **Section I.G.**

4. Payment of Redemption Price. Upon receipt by any Holder of a Notice of Redemption at Option of Corporation, if Holder does not choose to convert pursuant to **Section I.G.**, such Holder will promptly submit to the Corporation such Holder's Series I Preferred Stock certificates. Upon receipt of such Holder's Series I Preferred Stock certificates, the Corporation will pay the applicable redemption price to such Holder in cash.

G. Conversion.

1. Mechanics of Conversion.

Subject to the terms and conditions hereof, any or all of the outstanding shares of Series I Preferred Stock may be converted into shares of Common Stock at any time or times after the Issuance Date, at the option of Holder, (i) if at the option of a Holder, by delivery of a written notice to the Corporation (the "**Holder Conversion Notice**"), of the Holder's election to convert Series I Preferred Stock and the number of shares of Series I Preferred Stock which such Holder is electing to convert, or (ii) if at the option of the Corporation, if and only if the closing price of the Common Stock on the Trading Market exceeds 400% of the Conversion Price for a period of twenty consecutive trading days, by delivery of a written notice to the subject Holder (the "**Corporation Conversion Notice**" and, with the Holder Conversion Notice, each a "**Conversion Notice**"), stating the Corporation's election to convert Series I Preferred Stock and the number of such Holder's shares of Series I Preferred Stock to be converted.

Within one day of the Corporation Conversion Notice or Holder Conversion Notice, the Corporation shall transmit by facsimile or electronic mail an acknowledgment of confirmation of receipt of the Holder Conversion Notice or issuance of the Corporation Conversion Notice to the Holder. Within three days of notice the Corporation shall issue a certificate for the number of shares specified in the Holder Conversion Notice or Corporation Conversion Notice.

2. Payment and Issuance Upon Conversion. In the event of a conversion of any Series I Preferred Stock, the Corporation shall issue to such Holder a number of Conversion Shares equal to (i) the Series I Liquidation Value multiplied by (ii) the number of shares of Series I Preferred Stock held by such Holder and subject to the Holder Conversion Notice, divided by (iii) the Conversion Price with respect to such Series I Preferred Stock.

3. Stock Splits. If the Corporation at any time and from time to time on or after the Issuance Date subdivides (by any stock split, stock dividend, recapitalization or otherwise) one or more classes of its outstanding shares of Common Stock into a greater number of shares, the Conversion Price in effect immediately prior to such subdivision will be proportionately reduced and the number of Conversion Shares will be proportionately increased. If the Corporation at any time and from time to time on or after the first Issuance Date combines (by combination, reverse stock split, recapitalization or otherwise) one or more classes of its outstanding shares of Common Stock into a smaller number of shares, the Conversion Price in effect immediately prior to such combination will be proportionately increased and the number of Conversion Shares will be proportionately decreased. Any adjustment under this **Section I.G.3** shall become effective at the close of business on the date the subdivision or combination becomes effective.

4. Rights. In addition to any adjustments pursuant to **Section I.G.3**, if at any time the Corporation grants, issues or sells any options, convertible securities or rights to purchase stock, warrants, securities or other property pro rata to the record holders of any class of shares of Common Stock (the "**Purchase Rights**"), then Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which Holder could have acquired if Holder had held the number of shares of Common Stock acquirable upon conversion of all Preferred Stock held by Holder immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the grant, issue or sale of such Purchase Rights.

5. Definitions. For purposes of this **Section I**, the following terms shall have the following meanings:

a. "As Converted Voting Shares" means the number of votes per share of Series I Preferred Stock calculated as pursuant to the following formula: Number of votes per Series I share = Series I Liquidation Value per share, divided by the Conversion Price, multiplied by twenty-five (25).

"Trading Market" means the OTC Bulletin Board, the OTCQB, the OTC Pink Sheets, the NASDAQ Capital Market, the NASDAQ Global Market, the NASDAQ Global Select Market, the NYSE Amex, or the New York Stock Exchange, whichever is at the time the principal trading exchange or market for the Common Stock. All Trading Market data shall be measured as provided by the appropriate function of the Bloomberg Professional service of Bloomberg Financial Markets or its successor performing similar functions.

f. "Transaction Documents" means, collectively, any Stock Purchase Agreement pursuant to which any share of Series I Preferred Stock is issued, and all other agreements, certificates and documents referenced therein or annexed thereto.

Upon the surrender of any certificate representing Series I Preferred Stock at such place, the Corporation, at the request of the record Holder of such certificate, will execute and deliver (at the Corporation's expense) a new certificate or certificates in exchange therefor representing in the aggregate the number of shares represented by the surrendered certificate. Each such new certificate will be registered in such name and will represent such number of shares as is requested by the Holder of the surrendered certificate and will be substantially identical in form to the surrendered certificate.

B. Lost or Mutilated Preferred Stock Certificate. Upon receipt of evidence reasonably satisfactory to the Corporation (an affidavit of the registered Holder will be satisfactory) of the ownership and the loss, theft, destruction or mutilation of any certificate evidencing shares of Series I Preferred Stock, and in the case of any such loss, theft or destruction upon receipt of indemnity reasonably satisfactory to the Corporation (provided that if the Holder is a financial institution or other institutional investor its own agreement will be satisfactory) or in the case of any such mutilation upon surrender of such certificate, the Corporation will, at its expense, execute and deliver in lieu of such certificate a new certificate of like kind representing the number of shares of such class represented by such lost, stolen, destroyed or mutilated certificate and dated the date of such lost, stolen, destroyed or mutilated certificate.

C. Dividends.

Commencing on the date of the issuance of such shares of Series II Preferred Stock (each respectively an “**Issuance Date**”), Holders of Series II Preferred Stock will be entitled to dividends on each outstanding share of Series II Preferred Stock (“**Dividends**”), at a rate equal to 6.0% per annum (“**Dividend Rate**”) of a stated value (“**Stated Value**”) of \$1,000 per share of Series II Preferred Stock, subject to appropriate adjustment in the event of any stock splits, stock dividends, combinations of shares, recapitalizations or other such events relating to the outstanding Series II Preferred Stock at any time and from time to time. Dividends will accrue monthly and will be added to the Series II Liquidation Value, and upon redemption of the Series II Preferred Stock in accordance with **Section I.F.** Any calculation of the amount of such Dividends payable pursuant to the provisions of this **Section I.C.** will be made based on a 365-day year, compounded monthly.

So long as any shares of Series II Preferred Stock are outstanding, no dividends or other distributions will be paid, declared or set apart with respect to any Common Stock.

D. Protective Provision. So long as any shares of Series II Preferred Stock are outstanding, the Corporation will not, without the affirmative approval of the Holders of a majority of the shares of Series II Preferred Stock then outstanding (voting as a class), (i) alter or change adversely the powers, preferences or rights given to the Series II Preferred Stock or alter or amend this Certificate of Designations, (ii) authorize or create any class of stock ranking as to distribution of dividends senior to the Series II Preferred Stock, (iii) amend its articles of incorporation or other charter documents in breach of any of the provisions hereof, (iv) increase the authorized number of shares of Series II Preferred Stock, (v) liquidate, dissolve or wind-up the business and affairs of the Corporation, or effect any Deemed Liquidation Event (as defined below), or (vi) enter into any agreement with respect to any of the foregoing.

2. The Corporation will not have the power to effect a Deemed Liquidation Event referred to in **Section I.D.1** unless the agreement or plan of merger or consolidation for such transaction provides that the consideration payable to the stockholders of the Corporation will be allocated among the holders of capital stock of the Corporation in accordance with **Section I.E.**

E. Liquidation.

Upon any liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, after payment or provision for payment of debts and other liabilities of the Corporation, and after payment or provision for any liquidation preference payable to the holders of any Preferred Stock ranking senior upon liquidation to the Series II Preferred Stock, but prior to any distribution or payment made to the holders of Common Stock or the holders of any Preferred Stock ranking junior upon liquidation to the Series II Preferred Stock by reason of their ownership thereof, the Holders of Series II Preferred Stock will be entitled to be paid out of the assets of the Corporation available for distribution to its stockholders an amount with respect to each share of Series II Preferred Stock equal to the Stated Value thereof plus any accrued but unpaid Dividends thereon (collectively, the “**Series II Liquidation Value**”).

All Series II Preferred Shares shall be redeemed no later than three years after the Deemed Liquidation Event.

3. Mechanics of Redemption. Upon receipt of such initial notice, the Holder will have the right to convert its Series II Preferred Shares into common shares pursuant to **Section I.G.**

4. Payment of Redemption Price. Upon receipt by any Holder of a Notice of Redemption at Option of Corporation, if Holder does not choose to convert pursuant to **Section I.G.**, such Holder will promptly submit to the Corporation such Holder's Series II Preferred Stock certificates. Upon receipt of such Holder's Series II Preferred Stock certificates, the Corporation will pay the applicable redemption price to such Holder in cash.

Any adjustment under this **Section I.G.3** shall become effective at the close of business on the date the subdivision or combination becomes effective.

4. Rights. In addition to any adjustments pursuant to **Section I.G.3**, if at any time the Corporation grants, issues or sells any options, convertible securities or rights to purchase stock, warrants, securities or other property pro rata to the record holders of any class of shares of Common Stock (the "**Purchase Rights**"), then Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which Holder could have acquired if Holder had held the number of shares of Common Stock acquirable upon conversion of all Preferred Stock held by Holder immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the grant, issue or sale of such Purchase Rights.

Make-Whole for Failure to Deliver Loss. At the Holder's election, if the Company fails for any reason to deliver to the Holder the conversion shares by the 3rd business day following the delivery of a Notice of Conversion to the Company and if the Holder incurs a Failure to Deliver Loss, then at any time the Holder may provide the Company written notice indicating the amounts payable to the Holder in respect of the Failure to Deliver Loss and the Company must make the Holder whole as follows:

The principal of, and interest on, this Note are payable at 3411 Indian Creek Drive, Suite 403, Miami Beach, FL 33140, initially, and if changed, last appearing on the records of the Company as designated in writing by the Holder hereof from time to time. The Company will pay each interest payment and the outstanding principal due upon this Note before or on the Maturity Date, less any amounts required by law to be deducted or withheld, to the Holder of this Note by check or wire transfer addressed to such Holder at the last address appearing on the records of the Company. The forwarding of such check or wire transfer shall constitute a payment of outstanding principal hereunder and shall satisfy and discharge the liability for principal on this Note to the extent of the sum represented by such check or wire transfer. Interest shall be payable in Common Stock (as defined below) pursuant to paragraph 4(b) herein. Permitted Assigns means any Holder assignment, transfer or sale of all or a portion of this Note accompanied by an Opinion of Counsel as provided for in Section 2(f) of the Securities Purchase Agreement.

Initials

This Note is subject to the following additional provisions:

1. This Note is exchangeable for an equal aggregate principal amount of Notes of different authorized denominations, as requested by the Holder surrendering the same. No service charge will be made for such registration or transfer or exchange, except that Holder shall pay any tax or other governmental charges payable in connection therewith. To the extent that Holder subsequently transfers, assigns, sells or exchanges any of the multiple lesser denomination notes, Holder acknowledges that it will provide the Company with Opinions of Counsel as provided for in Section 2(f) of the Securities Purchase Agreement.

2. The Company shall be entitled to withhold from all payments any amounts required to be withheld under applicable laws.

3. This Note may be transferred or exchanged only in compliance with the Securities Act of 1933, as amended (“Act”), applicable state securities laws and Sections 2(f) and 5(f) of the Securities Purchase Agreement. Any attempted transfer to a non-qualifying party shall be treated by the Company as void. Prior to due presentment for transfer of this Note, the Company and any agent of the Company may treat the person in whose name this Note is duly registered on the Company’s records as the owner hereof for all other purposes, whether or not this Note be overdue, and neither the Company nor any such agent shall be affected or bound by notice to the contrary. Any Holder of this Note electing to exercise the right of conversion set forth in Section 4(a) hereof, in addition to the requirements set forth in Section 4(a), and any prequalified prospective transferee of this Note, also is required to give the Company written confirmation that this Note is being converted (“Notice of Conversion”) in the form annexed hereto as Exhibit A. The date of receipt (including receipt by telecopy) of such Notice of Conversion shall be the Conversion Date. All notices of conversion will be accompanied by an Opinion of Counsel.

4. (a) The Holder of this Note is entitled, at its option, at any time, to convert all or any amount of the principal face amount of this Note then outstanding into shares of the Company’s common stock (the “Common Stock”) at a price (“Conversion Price”) for each share of Common Stock equal to **65%** of the lowest closing bid price of the Common Stock as reported on the National Quotations Bureau OTC Markets exchange which the Company’s shares are traded or any exchange upon which the Common Stock may be traded in the future (“Exchange”), for the **fifteen** prior trading days including the day upon which a Notice of Conversion is received by the Company (provided such Notice of Conversion is delivered together with an Opinion of Counsel, by fax or other electronic method of communication to the Company after 4 P.M. Eastern Standard or Daylight Savings Time if the Holder wishes to include the same day closing price). If the shares have not been delivered within 3 business days, the Notice of Conversion may be rescinded. Such conversion shall be effectuated by the Company delivering the shares of Common Stock to the Holder within 3 business days of receipt by the Company of the Notice of Conversion. Accrued, but unpaid interest shall be subject to conversion. No fractional shares or scrip representing fractions of shares will be issued on conversion, but the number of shares issuable shall be rounded to the nearest whole share. To the extent the Conversion Price of the Company’s Common Stock closes below the par value per share, the Company will take all steps necessary to solicit the consent of the stockholders to reduce the par value to the lowest value possible under law. The Company agrees to honor all conversions submitted pending this increase. *In the event the Company experiences a DTC “Chill” on its shares, the conversion price shall be decreased to 55% instead of 65% while that “Chill” is in effect.* In no event shall the Holder be allowed to effect a conversion if such conversion, along with all other shares of Company Common Stock beneficially owned by the Holder and its affiliates would exceed 9.9% of the outstanding shares of the Common Stock of the Company. The conversion discount and lookback period will be adjusted downward (i.e. for the benefit of the Holder) if the Company offers a more favorable conversion discount (whether via interest, rate OID or otherwise) or lookback period to another party while this note is in effect and the Holder will also get the benefit of any other term (for a example a higher prepay) granted to any third party while this Note is in effect.

WHEREAS:

A. The Company and the Buyer are executing and delivering this Agreement in reliance upon the exemption from securities registration afforded by the rules and regulations as promulgated by the United States Securities and Exchange Commission (the "SEC") under the Securities Act of 1933, as amended (the "1933 Act");

B. Each of the notes shall contain a 5% OID such that the purchase price of each note shall be \$50,000.00 for the first and second note, and \$75,000.00 for the third note. The first of the three notes (the "First Note") shall be paid for by the Buyer as set forth herein. The second note shall initially be paid for by the issuance of an offsetting \$50,000.00 secured note issued to the Company by the Buyer ("Buyer Note 1"), the third note shall initially be paid for by the issuance of an offsetting \$75,000.00 secured note issued to the Company by the Buyer ("Buyer Note 2"), provided that prior to conversion of a particular back end note, the Buyer must have paid off that particular Buyer Note in cash such that the particular Back End Note may not be converted until it has been paid for in cash by Buyer.

C. The Buyer wishes to purchase, upon the terms and conditions stated in this Agreement, such principal amount of Note as is set forth immediately below its name on the signature pages hereto; and

NOW THEREFORE, the Company and the Buyer severally (and not jointly) hereby agree as follows:

1. Purchase and Sale of Note.

Company Initials

b. Form of Payment. On the Closing Date (as defined below), (i) the Buyer shall pay the purchase price for the Note to be issued and sold to it at the Closing (as defined below) (the “Purchase Price”) by wire transfer of immediately available funds to the Company, in accordance with the Company’s written wiring instructions, against delivery of the Note in the principal amount equal to the Purchase Price as is set forth immediately below the Buyer’s name on the signature pages hereto, and (ii) the Company shall deliver such duly executed Note on behalf of the Company, to the Buyer, against delivery of such Purchase Price.

c. Closing Date. The date and time of the first issuance and sale of the Note pursuant to this Agreement (the “Closing Date”) shall be on or about November 30, 2016, or such other mutually agreed upon time. The closing of the transactions contemplated by this Agreement (the “Closing”) shall occur on the Closing Date at such location as may be agreed to by the parties. Subsequent Closings shall occur when the Buyer Notes are repaid. The Closing of each of the following notes shall be on or before the dates specified in the relevant Buyer Notes.

2. Buyer’s Representations and Warranties. The Buyer represents and warrants to the Company that:

a. Investment Purpose. As of the date hereof, the Buyer is purchasing the Note and the shares of Common Stock issuable upon conversion of or otherwise pursuant to the Note, such shares of Common Stock being collectively referred to herein as the “Conversion Shares” and, collectively with the Note, the “Securities”) for its own account and not with a present view towards the public sale or distribution thereof, except pursuant to sales registered or exempted from registration under the 1933 Act; provided, however, that by making the representations herein, the Buyer does not agree to hold any of the Securities for any minimum or other specific term and reserves the right to dispose of the Securities at any time in accordance with or pursuant to a registration statement or an exemption under the 1933 Act.

b. Accredited Investor Status. The Buyer is an “accredited investor” as that term is defined in Rule 501(a) of Regulation D (an “Accredited Investor”). Any of Buyer’s transferees, assignees, or purchasers must be “accredited investors” in order to qualify as prospective transferees, permitted assignees in the case of Buyer’s or Holder’s transfer, assignment or sale of the Note.

c. Reliance on Exemptions. The Buyer understands that the Securities are being offered and sold to it in reliance upon specific exemptions from the registration requirements of United States federal and state securities laws and that the Company is relying upon the truth and accuracy of, and the Buyer’s compliance with, the representations, warranties, agreements, acknowledgments and understandings of the Buyer set forth herein in order to determine the availability of such exemptions and the eligibility of the Buyer to acquire the Securities.

d. Information. The Buyer and its advisors, if any, have been, and for so long as the Note remain outstanding will continue to be, furnished with all materials relating to the business, finances and operations of the Company and materials relating to the offer and sale of the Securities which have been requested by the Buyer or its advisors. The Buyer and its advisors, if any, have been, and for so long as the Note remain outstanding will continue to be, afforded the opportunity to ask questions of the Company. Notwithstanding the foregoing, the Company has not disclosed to the Buyer any material nonpublic information and will not disclose such information unless such information is disclosed to the public prior to or promptly following such disclosure to the Buyer. Neither such inquiries nor any other due diligence investigation conducted by Buyer or any of its advisors or representatives shall modify, amend or affect Buyer's right to rely on the Company's representations and warranties contained in Section 3 below. The Buyer understands that its investment in the Securities involves a significant degree of risk. The Buyer is not aware of any facts that may constitute a breach of any of the Company's representations and warranties made herein.

e. Governmental Review. The Buyer understands that no United States federal or state agency or any other government or governmental agency has passed upon or made any recommendation or endorsement of the Securities.

f. Transfer or Re-sale. The Buyer understands that (i) the sale or re-sale of the Securities has not been and is not being registered under the 1933 Act or any applicable state securities laws, and the Securities may not be transferred unless (a) the Securities are sold pursuant to an effective registration statement under the 1933 Act, (b) in the case of subparagraphs (c), (d) and (e) below, the Buyer shall have delivered to the Company, at the cost of the Buyer, an opinion of counsel that shall be in form, substance and scope customary for opinions of counsel in comparable transactions to the effect that the Securities to be sold or transferred may be sold, or transferred pursuant to an exemption from such registration, including the removal of any restrictive legend which opinion shall be accepted by the Company, (c) the Securities are sold or transferred to an "affiliate" (as defined in Rule 144 promulgated under the 1933 Act (or a successor rule) ("Rule 144") of the Buyer who agrees to sell or otherwise transfer the Securities only in accordance with this Section 2(f) and who is an Accredited Investor, (d) the Securities are sold pursuant to Rule 144, or (e) the Securities are sold pursuant to Regulation S under the 1933 Act (or a successor rule) ("Regulation S"); (ii) any sale of such Securities made in reliance on Rule 144 may be made only in accordance with the terms of said Rule and further, if said Rule is not applicable, any re-sale of such Securities under circumstances in which the seller (or the person through whom the sale is made) may be deemed to be an underwriter (as that term is defined in the 1933 Act) may require compliance with some other exemption under the 1933 Act or the rules and regulations of the SEC thereunder; and (iii) neither the Company nor any other person is under any obligation to register such Securities under the 1933 Act or any state securities laws or to comply with the terms and conditions of any exemption thereunder (in each case). Notwithstanding the foregoing or anything else contained herein to the contrary, the Securities may be pledged as collateral in connection with a bona fide margin account or other lending arrangement.

g. Legends. The Buyer understands that the Note and, until such time as the Conversion Shares have been registered under the 1933 Act will be sold pursuant to Rule 144 or Regulation S without any restriction as to the number of securities as of a particular date that can then be immediately sold, the Conversion Shares may bear a restrictive legend in substantially the following form (and a stop-transfer order may be placed against transfer of the certificates for such Securities):

“NEITHER THE ISSUANCE AND SALE OF THE SECURITIES REPRESENTED BY THIS CERTIFICATE NOR THE SECURITIES INTO WHICH THESE SECURITIES ARE EXERCISABLE HAVE BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR APPLICABLE STATE SECURITIES LAWS. THE SECURITIES MAY NOT BE OFFERED FOR SALE, SOLD, TRANSFERRED OR ASSIGNED (I) IN THE ABSENCE OF (A) AN EFFECTIVE REGISTRATION STATEMENT FOR THE SECURITIES UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR (B) AN OPINION OF COUNSEL (WHICH COUNSEL SHALL BE SELECTED BY THE HOLDER), IN A GENERALLY ACCEPTABLE FORM, THAT REGISTRATION IS NOT REQUIRED UNDER SAID ACT OR (II) UNLESS SOLD PURSUANT TO RULE 144 OR RULE 144A UNDER SAID ACT. NOTWITHSTANDING THE FOREGOING, THE SECURITIES MAY BE PLEDGED IN CONNECTION WITH A BONA FIDE MARGIN ACCOUNT OR OTHER LOAN OR FINANCING ARRANGEMENT SECURED BY THE SECURITIES.”

The legend set forth above shall be removed and the Company shall issue a certificate without such legend to the holder of any Security upon which it is stamped, if, unless otherwise required by applicable state securities laws, (a) such Security is registered for sale under an effective registration statement filed under the 1933 Act or otherwise may be sold pursuant to Rule 144 or Regulation S without any restriction as to the number of securities as of a particular date that can then be immediately sold, and (b) such holder provides the Company with an opinion of counsel, in form, substance and scope customary for opinions of counsel in comparable transactions, to the effect that a public sale or transfer of such Security may be made without registration under the 1933 Act, and that legend removal is appropriate, which opinion shall be accepted by the Company so that the sale or transfer is effected. The Buyer agrees to sell all Securities, including those represented by a certificate(s) from which the legend has been removed, in compliance with applicable prospectus delivery requirements, if any. In the event that the Company does not accept the opinion of counsel provided by the Buyer with respect to the transfer of Securities pursuant to an exemption from registration, such as Rule 144 or Regulation S, within 2 business days, it will be considered an Event of Default under the Note.

h. Authorization; Enforcement. This Agreement has been duly and validly authorized. This Agreement has been duly executed and delivered on behalf of the Buyer, and this Agreement constitutes a valid and binding agreement of the Buyer enforceable in accordance with its terms.

i. Residency. The Buyer is a resident of the jurisdiction set forth immediately below the Buyer’s name on the signature pages hereto.

j. No Short Sales. Buyer/Holder, its successors and assigns, agree that so long as the Note remains outstanding, the Buyer/Holder shall not enter into or effect “short sales” of the Common Stock or hedging transaction which establishes a short position with respect to the Common Stock of the Company. The Company acknowledges and agrees that upon delivery of a Conversion Notice by the Buyer/Holder, the Buyer/Holder immediately owns the shares of Common Stock described in the Conversion Notice and any sale of those shares issuable under such Conversion Notice would not be considered short sales.

3. Representations and Warranties of the Company. The Company represents and warrants to the Buyer that:

a. Organization and Qualification. The Company and each of its subsidiaries, if any, is a corporation duly organized, validly existing and in good standing under the laws of the jurisdiction in which it is incorporated, with full power and authority (corporate and other) to own, lease, use and operate its properties and to carry on its business as and where now owned, leased, used, operated and conducted.

b. Authorization; Enforcement. (i) The Company has all requisite corporate power and authority to enter into and perform this Agreement, the Note and to consummate the transactions contemplated hereby and thereby and to issue the Securities, in accordance with the terms hereof and thereof, (ii) the execution and delivery of this Agreement, the Note by the Company and the consummation by it of the transactions contemplated hereby and thereby (including without limitation, the issuance of the Note and the issuance and reservation for issuance of the Conversion Shares issuable upon conversion or exercise thereof) have been duly authorized by the Company’s Board of Directors and no further consent or authorization of the Company, its Board of Directors, or its shareholders is required, (iii) this Agreement has been duly executed and delivered by the Company by its authorized representative, and such authorized representative is the true and official representative with authority to sign this Agreement and the other documents executed in connection herewith and bind the Company accordingly, and (iv) this Agreement constitutes, and upon execution and delivery by the Company of the Note, each of such instruments will constitute, a legal, valid and binding obligation of the Company enforceable against the Company in accordance with its terms.

c. Issuance of Shares. The Conversion Shares are duly authorized and reserved for issuance and, upon conversion of the Note in accordance with its respective terms, will be validly issued, fully paid and non-assessable, and free from all taxes, liens, claims and encumbrances with respect to the issue thereof and shall not be subject to preemptive rights or other similar rights of shareholders of the Company and will not impose personal liability upon the holder thereof.

d. Acknowledgment of Dilution. The Company understands and acknowledges the potentially dilutive effect to the Common Stock upon the issuance of the Conversion Shares upon conversion of the Note. The Company further acknowledges that its obligation to issue Conversion Shares upon conversion of the Note in accordance with this Agreement, the Note is absolute and unconditional regardless of the dilutive effect that such issuance may have on the ownership interests of other shareholders of the Company.

e. No Conflicts. The execution, delivery and performance of this Agreement, the Note by the Company and the consummation by the Company of the transactions contemplated hereby and thereby (including, without limitation, the issuance and reservation for issuance of the Conversion Shares) will not (i) conflict with or result in a violation of any provision of the Certificate of Incorporation or By-laws, or (ii) violate or conflict with, or result in a breach of any provision of, or constitute a default (or an event which with notice or lapse of time or both could become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any agreement, indenture, patent, patent license or instrument to which the Company or any of its Subsidiaries is a party, or (iii) result in a violation of any law, rule, regulation, order, judgment or decree (including federal and state securities laws and regulations and regulations of any self-regulatory organizations to which the Company or its securities are subject) applicable to the Company or any of its Subsidiaries or by which any property or asset of the Company or any of its Subsidiaries is bound or affected (except for such conflicts, defaults, terminations, amendments, accelerations, cancellations and violations as would not, individually or in the aggregate, have a Material Adverse Effect). All consents, authorizations, orders, filings and registrations which the Company is required to obtain pursuant to the preceding sentence have been obtained or effected on or prior to the date hereof. The Company is not in violation of the listing requirements of the OTC Markets Exchange (the "OTC MARKETS") and does not reasonably anticipate that the Common Stock will be delisted by the OTC MARKETS in the foreseeable future, nor are the Company's securities "chilled" by FINRA. The Company and its Subsidiaries are unaware of any facts or circumstances which might give rise to any of the foregoing.

f. Absence of Litigation. Except as disclosed in the Company's Periodic Report filings with the SEC, there is no action, suit, claim, proceeding, inquiry or investigation before or by any court, public board, government agency, self-regulatory organization or body pending or, to the knowledge of the Company or any of its subsidiaries, threatened against or affecting the Company or any of its subsidiaries, or their officers or directors in their capacity as such, that could have a material adverse effect. Schedule 3(f) contains a complete list and summary description of any pending or, to the knowledge of the Company, threatened proceeding against or affecting the Company or any of its subsidiaries, without regard to whether it would have a material adverse effect. The Company and its subsidiaries are unaware of any facts or circumstances which might give rise to any of the foregoing.

g. Acknowledgment Regarding Buyer' Purchase of Securities. The Company acknowledges and agrees that the Buyer is acting solely in the capacity of arm's length purchasers with respect to this Agreement and the transactions contemplated hereby. The Company further acknowledges that the Buyer is not acting as a financial advisor or fiduciary of the Company (or in any similar capacity) with respect to this Agreement and the transactions contemplated hereby and any statement made by the Buyer or any of its respective representatives or agents in connection with this Agreement and the transactions contemplated hereby is not advice or a recommendation and is merely incidental to the Buyer' purchase of the Securities. The Company further represents to the Buyer that the Company's decision to enter into this Agreement has been based solely on the independent evaluation of the Company and its representatives.

h. No Integrated Offering. Neither the Company, nor any of its affiliates, nor any person acting on its or their behalf, has directly or indirectly made any offers or sales in any security or solicited any offers to buy any security under circumstances that would require registration under the 1933 Act of the issuance of the Securities to the Buyer.

i. Title to Property. The Company and its subsidiaries have good and marketable title in fee simple to all real property and good and marketable title to all personal property owned by them which is material to the business of the Company and its subsidiaries, in each case free and clear of all liens, encumbrances and defects except such as are described in Schedule 3(i) or such as would not have a material adverse effect. Any real property and facilities held under lease by the Company and its subsidiaries are held by them under valid, subsisting and enforceable leases with such exceptions as would not have a material adverse effect.

j. Bad Actor. No officer or director of the Company would be disqualified under Rule 506(d) of the Securities Act as amended on the basis of being a “bad actor” as that term is established in the September 19, 2013 Small Entity Compliance Guide published by the Securities and Exchange Commission.

k. Breach of Representations and Warranties by the Company. If the Company breaches any of the representations or warranties set forth in this Section 3, and in addition to any other remedies available to the Buyer pursuant to this Agreement, it will be considered an Event of default under the Note.

4. COVENANTS.

a. Expenses. At the Closing, the Company shall reimburse Buyer for expenses incurred by them in connection with the negotiation, preparation, execution, delivery and performance of this Agreement and the other agreements to be executed in connection herewith (“Documents”), including, without limitation, reasonable attorneys’ and consultants’ fees and expenses, transfer agent fees, fees for stock quotation services, fees relating to any amendments or modifications of the Documents or any consents or waivers of provisions in the Documents, fees for the preparation of opinions of counsel, escrow fees, and costs of restructuring the transactions contemplated by the Documents. When possible, the Company must pay these fees directly, otherwise the Company must make immediate payment for reimbursement to the Buyer for all fees and expenses immediately upon written notice by the Buyer or the submission of an invoice by the Buyer.

b. Listing. The Company shall promptly secure the listing of the Conversion Shares upon each national securities exchange or automated quotation system, if any, upon which shares of Common Stock are then listed (subject to official notice of issuance) and, so long as the Buyer owns any of the Note Securities, shall maintain, so long as any other shares of Common Stock shall be so listed, such listing of all Conversion Shares from time to time issuable upon conversion of the Note. The Company will obtain and, so long as the Buyer owns any of the Securities, maintain the listing and trading of its Common Stock on the OTC MARKETS or any equivalent replacement market, the Nasdaq stock market (“Nasdaq”), the New York Stock Exchange (“NYSE”), or the American Stock Exchange (“AMEX”) and will comply in all respects with the Company’s reporting, filing and other obligations under the bylaws or rules of the Financial Industry Regulatory Authority (“FINRA”) and such exchanges, as applicable. The Company shall promptly provide to the Buyer copies of any notices it receives from the OTC MARKETS and any other markets on which the Common Stock is then listed regarding the continued eligibility of the Common Stock for listing on such markets.

c. Corporate Existence. So long as the Buyer beneficially owns the Note, the Company shall maintain its corporate existence and shall not sell all or substantially all of the Company’s assets, except in the event of a merger or consolidation or sale of all or substantially all of the Company’s assets, where the surviving or successor entity in such transaction (i) assumes the Company’s obligations hereunder and under the agreements and instruments entered into in connection herewith and (ii) is a publicly traded corporation whose Common Stock is listed for trading on the OTC MARKETS, Nasdaq, NYSE or AMEX.

d. No Integration. The Company shall not make any offers or sales of any security (other than the Securities) under circumstances that would require registration of the Securities being offered or sold hereunder under the 1933 Act or cause the offering of the Securities to be integrated with any other offering of securities by the Company for the purpose of any stockholder approval provision applicable to the Company or its securities.

e. Breach of Covenants. If the Company breaches any of the covenants set forth in this Section 4, and in addition to any other remedies available to the Buyer pursuant to this Agreement, it will be considered an event of default under the Note.

5. Governing Law; Miscellaneous.

a. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of New York without regard to principles of conflicts of laws. Any action brought by either party against the other concerning the transactions contemplated by this Agreement shall be brought only in the state courts of New York or in the federal courts located in the state and county of New York. The parties to this Agreement hereby irrevocably waive any objection to jurisdiction and venue of any action instituted hereunder and shall not assert any defense based on lack of jurisdiction or venue or based upon *forum non conveniens*. The Company and Buyer waive trial by jury. The prevailing party shall be entitled to recover from the other party its reasonable attorney’s fees and costs. In the event that any provision of this Agreement or any other agreement delivered in connection herewith is invalid or unenforceable under any applicable statute or rule of law, then such provision shall be deemed inoperative to the extent that it may conflict therewith and shall be deemed modified to conform with such statute or rule of law. Any such provision which may prove invalid or unenforceable under any law shall not affect the validity or enforceability of any other provision of any agreement. Each party hereby irrevocably waives personal service of process and consents to process being served in any suit, action or proceeding in connection with this Agreement or any other Transaction Document by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any other manner permitted by law.

b. Counterparts; Signatures by Facsimile. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which shall constitute one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other party. This Agreement, once executed by a party, may be delivered to the other party hereto by facsimile transmission of a copy of this Agreement bearing the signature of the party so delivering this Agreement.

c. Headings. The headings of this Agreement are for convenience of reference only and shall not form part of, or affect the interpretation of, this Agreement.

d. Severability. In the event that any provision of this Agreement is invalid or unenforceable under any applicable statute or rule of law, then such provision shall be deemed inoperative to the extent that it may conflict therewith and shall be deemed modified to conform with such statute or rule of law. Any provision hereof which may prove invalid or unenforceable under any law shall not affect the validity or enforceability of any other provision hereof.

e. Entire Agreement; Amendments. This Agreement and the instruments referenced herein contain the entire understanding of the parties with respect to the matters covered herein and therein and, except as specifically set forth herein or therein, neither the Company nor the Buyer makes any representation, warranty, covenant or undertaking with respect to such matters. No provision of this Agreement may be waived or amended other than by an instrument in writing signed by the majority in interest of the Buyer.

f. Notices. All notices, demands, requests, consents, approvals, and other communications required or permitted hereunder shall be in writing and, unless otherwise specified herein, shall be (i) personally served, (ii) deposited in the mail, registered or certified, return receipt requested, postage prepaid, (iii) delivered by reputable air courier service with charges prepaid, (iv) via electronic mail or (v) transmitted by hand delivery, telegram, or facsimile, addressed as set forth below or to such other address as such party shall have specified most recently by written notice. Any notice or other communication required or permitted to be given hereunder shall be deemed effective (a) upon hand delivery or delivery by facsimile, with accurate confirmation generated by the transmitting facsimile machine, at the address or number designated below (if delivered on a business day during normal business hours where such notice is to be received) or delivery via electronic mail, or the first business day following such delivery (if delivered other than on a business day during normal business hours where such notice is to be received) or (b) on the second business day following the date of mailing by express courier service, fully prepaid, addressed to such address, or upon actual receipt of such mailing, whichever shall first occur. The addresses for such communications shall be:

If to the Company, to:

PositiveID Corp.
1690 South Congress Avenue
Suite 201
Delray Beach, FL 33445
Attn: William Caragol, CEO

If to the Buyer:

ADAR BAYS, LLC
3411 Indian Creek Drive, Suite 403,
Miami Beach, FL 33140
Attn: Samuel Eisenberg, Manager

Each party shall provide notice to the other party of any change in address.

g. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties and their successors and assigns. Neither the Company nor the Buyer shall assign this Agreement or any rights or obligations hereunder without the prior written consent of the other. Notwithstanding the foregoing, the Buyer may assign its rights hereunder to any “qualified person”, any “permitted assigns”, or “prospective transferee” that acquires or purchases Note Securities in a private transaction from the Buyer or to any of its “affiliates,” as that term is defined under the 1934 Act, without the consent of the Company with Buyer’s Opinion of Counsel. A qualified person is an “accredited investor” transferee, assignee, or purchaser of the Note who succeeds to the Holder’s right, title and interest to all or a portion of the Note accompanied with an Opinion of Counsel as provided for in Section 2(f).

h. Third Party Beneficiaries. This Agreement is intended for the benefit of the parties hereto and their respective permitted successors and assigns, and is not for the benefit of, nor may any provision hereof be enforced by, any other person.

i. Survival. The representations and warranties of the Company and the agreements and covenants set forth in this Agreement shall survive the closing hereunder notwithstanding any due diligence investigation conducted by or on behalf of the Buyer. The Company agrees to indemnify and hold harmless the Buyer and all their officers, directors, employees and agents for loss or damage arising as a result of or related to any breach or alleged breach by the Company of any of its representations, warranties and covenants set forth in this Agreement or any of its covenants and obligations under this Agreement, including advancement of expenses as they are incurred.

j. Further Assurances. Each party shall do and perform, or cause to be done and performed, all such further acts and things, and shall execute and deliver all such other agreements, certificates, instruments and documents, as the other party may reasonably request in order to carry out the intent and accomplish the purposes of this Agreement and the consummation of the transactions contemplated hereby.

k. No Strict Construction. The language used in this Agreement will be deemed to be the language chosen by the parties to express their mutual intent, and no rules of strict construction will be applied against any party.

l. Remedies. The Company acknowledges that a breach by it of its obligations hereunder will cause irreparable harm to the Buyer by vitiating the intent and purpose of the transaction contemplated hereby. Accordingly, the Company acknowledges that the remedy at law for a breach of its obligations under this Agreement will be inadequate and agrees, in the event of a breach or threatened breach by the Company of the provisions of this Agreement, that the Buyer shall be entitled, in addition to all other available remedies at law or in equity, and in addition to the penalties assessable herein, to an injunction or injunctions restraining, preventing or curing any breach of this Agreement and to enforce specifically the terms and provisions hereof, without the necessity of showing economic loss and without any bond or other security being required.

IN WITNESS WHEREOF, the undersigned Buyer and the Company have caused this Agreement to be duly executed as of the date first above written.

ADAR BAYS, LLC
COLLATERALIZED SECURED PROMISSORY NOTE
1 OF 2

\$50,000.00

Miami Beach, FL
November 30, 2016

1. Principal and Interest

FOR VALUE RECEIVED, Adar Bays, LLC, a Florida Limited Liability Company (the "Company") hereby absolutely and unconditionally promises to pay to PositiveID Corp. (the "Lender"), or order, the principal amount of Fifty Thousand Dollars (\$50,000.00) no later than July 30, 2017, unless the Lender does not meet the "current information requirements" required under Rule 144 of the Securities Act of 1933, as amended, in which case the Company may declare the offsetting note issued by the Lender on the same date herewith to be in Default (as defined in that note) and cross cancel its payment obligations under this Note as well as the Lenders payment obligations under the offsetting note. This Full Recourse Note shall bear simple interest at the rate of 10%.

2. Repayments and Prepayments; Security.

a. All principal under this Note shall be due and payable no later than July 30, 2017, unless the Lender does not meet the "current information requirements" required under Rule 144 of the Securities Act of 1933, as amended, in which case the Company may declare the offsetting note issued by the Lender on the same date herewith to be in Default (as defined in that note) and cross cancel its payment obligations under this Note as well as the Lenders payment obligations under the offsetting note.

b. The Company may pay this Note at any time. This note may not be assigned by the Lender, except by operation of law.

c. This Note shall initially be secured by the pledge of the \$52,500.00 10% convertible promissory note issued to the Company by the Lender on even date herewith (the "Lender Note"). **The Company may exchange this collateral for other collateral with an appraised value of at least \$50,000.00, by providing 3 days prior written notice to the Lender. If the Lender does not object to the substitution of collateral in that 3 day period, such substitution of collateral shall be deemed to have been accepted by the Lender. Notwithstanding the foregoing, an exchange of collateral for \$50,000.00 in cash shall not require the approval of the Lender. Any collateral exchange shall not constitute a waiver of any defaults under a Lender note.** All collateral shall be retained by New Venture Attorneys, P.C., which shall act as the escrow agent for the collateral for the benefit of the Lender. The Company may not effect any conversions under the Lender Note until it has made full cash payment for the portion of the Lender Note being converted.

3. Events of Default; Acceleration.

a. The principal amount of this Note is subject to prepayment in whole or in part upon the occurrence and during the continuance of any of the following events (each, an "Event of Default"): the initiation of any bankruptcy, insolvency, moratorium, receivership or reorganization by or against the Company, or a general assignment of assets by the Company for the benefit of creditors. Upon the occurrence of any Event of Default, the entire unpaid principal balance of this Note and all of the unpaid interest accrued thereon shall be immediately due and payable. The Company may offset amounts due to the Lender under this Note by similar amounts that may be due to the Company by the Lender resulting from breaches under the Lender Note.

b. No remedy herein conferred upon the Lender is intended to be exclusive of any other remedy and each and every remedy shall be cumulative and in addition to every other remedy hereunder, now or hereafter existing at law or in equity or otherwise. The Company accepts and agrees that this Note is a full recourse note and that the Holder may exercise any and all remedies available to it under law.

4. Notices.

a. All notices, reports and other communications required or permitted hereunder shall be in writing and may be delivered in person, by telecopy with written confirmation, overnight delivery service or U.S. mail, in which event it may be mailed by first-class, certified or registered, postage prepaid, addressed (i) if to a Lender, at such Lender's address as the Lender shall have furnished the Company in writing and (ii) if to the Company at such address as the Company shall have furnished the Lender(s) in writing.

b. Each such notice, report or other communication shall for all purposes under this Note be treated as effective or having been given when delivered if delivered personally or, if sent by mail, at the earlier of its receipt or 72 hours after the same has been deposited in a regularly maintained receptacle for the deposit of the United States mail, addressed and mailed as aforesaid, or, if sent by electronic communication with confirmation, upon the delivery of electronic communication.

5. Miscellaneous.

a. Neither this Note nor any provisions hereof may be changed, waived, discharged or terminated orally, but only by a signed statement in writing.

b. No failure or delay by the Lender to exercise any right hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege preclude any other right, power or privilege. The provisions of this Note are severable and if any one provision hereof shall be held invalid or unenforceable in whole or in part in any jurisdiction, such invalidity or unenforceability shall affect only such provision in such jurisdiction. This Note expresses the entire understanding of the parties with respect to the transactions contemplated hereby. The Company and every endorser and guarantor of this Note regardless of the time, order or place of signing hereby waives presentment, demand, protest and notice of every kind, and assents to any extension or postponement of the time for payment or any other indulgence, to any substitution, exchange or release of collateral, and to the addition or release of any other party or person primarily or secondarily liable.

c. If Lender retains an attorney for collection of this Note, or if any suit or proceeding is brought for the recovery of all, or any part of, or for protection of the indebtedness respected by this Note, then the Company agrees to pay all costs and expenses of the suit or proceeding, or any appeal thereof, incurred by the Lender, including without limitation, reasonable attorneys' fees.

d. This Note shall for all purposes be governed by, and construed in accordance with the laws of the State of New York (without reference to conflict of laws).

e. This Note shall be binding upon the Company's successors and assigns, and shall inure to the benefit of the Lender's successors and assigns.

IN WITNESS WHEREOF, the Company has caused this Note to be executed by its duly authorized officer to take effect as of the date first hereinabove written.
